

Customize your school's Buckle Up Phone Down Poster

1. Open the poster PDF in Adobe Acrobat.
2. Click the invisible button in the lower-left corner to upload image.
3. A window will appear allowing you to select an image from your computer.
4. Choose an image that represents your school (a school mascot or logo is recommended).

Having trouble uploading?

Try importing the PDF into another program, such as Microsoft Word or PowerPoint, and insert your image above the PDF.
